Officer A. Gatti

Victim Phyllis May came into EPD with a letter she received at her mother's address from suspect Amos Tate. Mr. Tate is currently an inmate of PA Department of Corrections at 1 Kelly Drive, Coal Township, PA, 17866-1021. His inmate number appears with his name on the return address, the number is somewhat unclear but looks like DN-0080. Mrs. May stated this was the third letter she has received from him. The first was approximately one year to. This letter was not threatening orr disturbing to her as it only contained small talk. She received the second approximately five months later, she did not open it she put a question mark on it and marked it reutnto sender. The only connection to Mr. Tate is that they knew each other in high school. Mrs. May graduated from Tech in 1981. Mr. Tate graduated from Tech in 1980. She does not know how he got her married name as they have not spoke for approximately 16 years. She did state he knows her social security number because he stole her social security card from her in high school. The third letter is the only one she has and is booked into evidence (tag #24199). The third letter contains irrational statements concerning the victim's character and her families character. Mr. Tate does have a violent past including aggravated assault, PFA violations and resisting arrest. Request CID follow up.

On this date, I spoke to Lt. Mattis in the security office of the State Correctional Facility in Caol Township, Pa. phone #1-570-6440-7890, in regards to this incident. Lt. Mattis informed me of the procedure that needed to be followed to stop suspect Amos Tate from corresponding with Phyllis May. I in turn contacted May and provided her with the information she needed to contact Lt. Mattis and stop Tate from contacting her. I also took this opportunity to ask May how she would like to pursue this case. She agreed to contact Lt. Mattis and stated she would like a report for further future reference. May stated she will contact us if Tate makes any further contact, at which time I advised her we could pursue harassment and stalking charges.

M. Suchy - dictated

Ptlm M. Suchy #371, on 2/20/05 at approximately 2234 hrs dispatched
to 2006 E. 41st St. regarding a threats call via telephone.

*

Upon arrival I spoke with complainant, Judge Tate, an elderly b/m,
who stated that approximately 2:30 PM he received an anonymous
telephone call from a male voice. Tate states he does not have
Caller ID and could not return the phone call. The unknown male's
voice stated that his warning was for Eddie Tate, Robert Tate,
Bruce Tate and James Tate. Those are the sons of the complainant,
Judge Tate, and if he did not warn them to leave an unknown w/m
and w/f alone, that someone was going to get killed. Judge Tate
later contacted his kids and then receives a telephone call that
his son, Edward Earl Tate of 2109 Camphausen, was at the Metroplex
Bar earlier in the evening and an Amos Tate, alleged to be the

doorman employed by the Metroplex Bar, came up to him and gave him a last warning to stay away from an unknown w/m and w/f or there was going to be problems.

*

Upon speaking to Edward Tate, he stated he has no idea who the w/m and w/f are but stated that Amos Tate is his cousin and that he is mentally unstable and he could do something. I advised all parties to stay away from Amos Tate and if he called the house or threatened any of the family members, to immediately call police as they were provided with the incident number.

*

The complainant and his four sons would like a detective to contact Amos Tate to see what the problem is as they advised the reporting officer not to go down to the Metroplex Bar because it may cause further problems. I advised a report would be written up as a terroristic threat and referred to CID for further investigation or a phone call. They were also advised that Edward Tate and Judge Tate may be contacted by detectives to assist them in their investigation or clarify what was said. Judge Tate said he does fear for the safety of his children and does not know why his nephew would be threatening them.

Det. Holmes, this is a supplemental.

*

On 2/24/05 at approximately 1100 hrs I spoke with Judge Tate, complainant, in regards to this incident. Tate's recollection of what occurred reflects what was indicated in the initial report. Tate went on to state that he has had no further contact with suspect, Amos Tate, and states that his son, Edward Tate, has also indicated to him that he has had no further contact with Amos in regards to this incident. Judge Tate states that he believes that this is a one time incident and still does not know exactly why Amos made the statements that he made in regards to this incident. Judge Tate stated that he did not wish to have Amos Tate contacted in regards to this incident. He states that he and his son, Edward, want this incident just to remain a matter of record. I then indicated to Judge Tate that I would monitor the situation and that he or Edward could contact me at any time in regards to any further incidents related to the threats made by Amos Tate during this incident. Judge Tate stated that he understood this advisement and would contact me with any further information if it were to develop. Judge Tate expressed that he did not think that there would be any further incidents involving Amos Tate but would contact me if there were. Judge Tate also indicated that he would advise his son, Edward Tate, to do the same.

On 3/4/05 @ approx. 1547 hrs. 2A2 (R.Hill/Roberts) dispatched to Judges Corner Restaurant at 848 East 5th for a domestic dispute. Upon our arrival we spoke with victim Willie J. Tate who stated Amos Lee Tate (his cousin) walked into the restaurant and assaulted him. Willie stated as he was getting up from the table after eating, Amos walked into the restaurant and said, "I've been lookin' for you", then punched Willie in the left temple/cheek area. Willie "saw stars" and fell to the ground. Amos then kicked Willie in the right upper arm, and left the restaurant without saying another word.

*

We had Emergycare (Bus 38) come to examine Willie. They requested that he go to a hospital. Willie refused to be transported by them, but said he would go to Hamot. Bruce Tate, Willie's brother, said that he would take him to Hamot. We cleared the scene.

*

Willie's mother saw what had happened but refused to be a witness.

ASSAULT AND BATTERY (SIMPLE)

The employees did not see what happened, as they were in the back of the restaurant.

*

We attempted to locate Amos at his residence of 14 West 26th St. Apt. #2, but had negative results. Dispatch next informed us that a complainant "Betty" called EPD and said Amos was at the "Rite Aid" at Peach & Washington. We had Dispatch notify Millcreek to see if they could locate Amos there and hold him until we arrived to speak with him. EPD's 2BB (Roofner) went to "Rite aid", as well, and had negative results.

*

We turned around and headed back to the station to charge. We saw Amos, and the car in question, at Cherry & Peach. We followed as we ran the plate. Once confirmed by Dispatch that it was Amos' car, we attempted to pull Amos over at 36th & Myrtle. Amos did not pull over until he ade it to a parking spot at Quality Market at 38th & Plum.

*

We asked him if his name was Amos and he said yes. We then advised him that he was going to be charged with a summons for the assault at Judges Corner Restaurant. We also advised him that he was no longer to have contact with any of his family members (the Tate side) and to stay out of Judges Corner Restaurant. He said he understood (replied with yes). We cleared without further incident.

*

Ptlm. R. Hill called Robert Tate's cell phone (874-3961) and requested that someone bring Willie to EPD so ID could take pictures of any visible injuries. Willie had not gone to the hospital as of that time---per Robert Tate.
